

# A Place in the Choir

Songwriter: Bill Staines

[CHORUS]

G

All God's creatures got a place in the choir

D

G

Some sing low and some sing higher,

C

G

Some sing out loud on a telephone wire,

D

G

Some just clap their hands, or paws, or anything they've got now

Listen to the top where the little bird sings  
On the melodies and the high notes ringing,  
And the hoot owl cries over everything  
And the blackbird disagrees

Singing in the night time, singing in the day,  
When little duck quacks, and he's on his way  
And the otter hasn't got much to say  
And the porcupine talks to himself

[REPEAT CHORUS]

The dogs and the cats they take up the middle  
While the honeybee hums and the cricket fiddles,  
The donkey brays and the pony neighs  
And the old gray badger sighs

Listen to the bass, it's the one on the bottom  
Where the bullfrog croaks and the hippopotamus  
Moans and groans with a big t'do  
And the old cow just goes moo

[REPEAT CHORUS]

It's a simple song a little song everywhere  
By the ox and the fox and the grizzly bear,  
The dopey alligator and the the hawk above,  
The sly old weasel and the turtle dove

[REPEAT CHORUS 3X]

[LAST LINE]: All God's creatures got a place in the choir
