

Cajun Moon

Writer: J. J. Cale

Dm G Dm
Cajun moon, Where does your power lie
G

As you move, Across the southern sky

Dm A7
You took my babe, Way too soon

G Dm
What have you done, Cajun moon

Dm G Dm
Someday babe, When you want your man
G

And you find him gone, Just like the wind

Dm A7
Don't trouble your mind, Whatever you do

G Dm,
'Cause Cajun moon, Took him from you

[REPEAT CHORUS]

When daylight fades
The night comes on
You can hear the silence
Of this song
Don't trouble your mind
Whatever you do
'Cause he got me
Like he got you

[REPEAT CHORUS]

[REPEAT VERSE 1]
