

Castle on a Cloud

Alain Albert Boublil / Claude Michel Schonberg /
Herbert Kretzmer / Jean Marc Natel

[Am] There is a [E] cas-[F]tle [Dm] on [E] a [Am] cloud
[Am] I like to [G] go there in my [C] sleep
[Dm] Aren't any [Am] floors for [E] me to [F] sweep
[Dm] Not in my [E] castle on a [Am] cloud

[Am] There is a [E] room [F] that's [Dm] full [E] of [Am] toys
[Am] There are [G] hundred boys and [C] girls
[Dm] Nobody [Am] shouts or [E] talks too [F] loud
[Dm] Not in my [E] castle on a [Am] cloud

[BRIDGE]

[F] There is a lady [C] all in white
[F] Holds me and sings a [C] lullaby
She's [Bb] nice to see and she's [F] soft to touch
She [E] says, "Cosette, I love you very much."

[Am] I know a [E] place [F] where [Dm] no [E] one's [Am] lost
[Am] I know a [G] place where no one [C] cries
[Dm] Crying at [Am] all is [E] not al-[F]lowed
[Dm] Not in my [E] castle on a [Am] cloud
