

Mr. Spaceman

Written by: Jim McGuinn

C D7
Woke up this morning with light in my eyes
G7 C
and then realized it was still dark outside
D7 G7 C
It was a light coming down from the sky, I don't know who or why

C D7
Must be those strangers that come every night
G7 C
Those saucer shaped lights put people up tight
D7
Leave blue green footprints that glow in the dark
G7 C
I hope they get home all right

[CHORUS]

G F Dm
Hey Mr Spaceman, won't you please take me along
C
I won't do anything wrong
G F Dm G7 C
Hey Mr Spaceman, won't you please take me along for a ride

C D7
Woke up this morning, I was feeling quite weird
G7 C
Had flies in my beard, my toothpaste was smeared
D7
Over my window, they'd written my name
G7 C
Said "So long, we'll see you again"

[REPEAT CHORUS]

(Instrumental)
