Last:

Pane mai, pane mai  
Pane mai, pane mai

Are you up, ku'uipo?  
I'm calling out to you  
In the deep darkness of night  
Answer, O answer me

Won't you relax in my arms  
And trade kisses?  
I do love you so  
Answer, O answer me

Won't you turn to me  
So warm in the calm?  
Let's get wrapped up in love  
Answer, O answer me

Won't you look kindly, ku'uipo  
On this love-making request  
And my over-heated state?  
Answer, O answer me.
