

# Phantom of the Opera

Andrew Lloyd Webber

[CHRISTINE]

Em Am D  
Beneath the opera house, I know  
Em  
he's there.  
Em Am D  
Hes with me on the stage, he's  
Em  
everywhere.  
Em Am D  
And when my song begins, I always  
Em  
find,  
Em Am  
The phantom of the opera is there.  
Am Em  
Inside my mind.

[PHANTOM]

Em Am D  
Sing once again with me, our  
Em  
strange duet.  
Em Am D  
My power over you grows stronger  
Em  
yet.  
Em Am D  
Youll give your love to me, for love  
Em  
is blind.  
Em Am  
The phantom of the opera is now,  
Am Em  
Your mastermind.

[CHRISTINE]

Em Am  
Those who have seen your face,  
D Em  
draw back in fear.  
Em Am D  
I am the mask you wear; its me they  
Em  
hear.  
Em Am D  
Your spirit and my voice, in one  
Em  
combine.  
Em Am  
The phantom of the opera is there,  
Am Em  
Inside my mind.

[BOTH]

Em Am D  
Sing once again with me, our  
Em  
strange duet,  
The phantom:  
Em Am D  
My power over you, grows stronger  
Em  
yet,  
Em Am D  
Youll give your love to me, for love  
Em  
is blind.  
Em Am  
The phantom of the opera is there,  
Am Em  
Inside your/my mind.  
Am Em  
Inside your/my mind.
