

# Some Beach

Paul Lester Overstreet, Rory Lee Feek

[VERSE]

[G] Driving down the interstate  
Running thirty minutes late  
Singing Margaritaville and [D7]  
minding my own  
Some foreign car dude with a road  
rage attitude  
Pulled up beside me talking on his cell  
[G] phone  
He [C] started yelling at me like I  
[G] did something wrong  
He [C] flipped me the bird an' [D]  
then he was gone [PAUSE]

[CHORUS]

Some beach [C]  
Somewhere [G]  
There's a [D7] big umbrella casting  
shade over an [G] empty chair  
[C] Palm trees are growing and a  
warm breeze is blowing  
I picture myself sitting [G] there  
On Some [D] beach, some[G]where

[VERSE]

I circled the parking lot trying to find a  
spot  
Just big enough I could park [D7] my  
old truck  
A man with a big cigar was getting  
into his car  
I stopped and I waited for him  
to back [G] up  
[C] From out of no where a  
[G] Mercedes Benz  
[C] Came cruising up and [D] whipped  
right in [PAUSE]

[CHORUS]

Some beach [C]  
Somewhere [G]  
There's [D7] no where to go and you  
got all day to get [G] there  
There's [C] cold margaritas and hot  
Senoritas smiling with long dark  
[G] hair  
On some [D] beach  
Some[G]where

[VERSE]

I [G] sit in that waiting room  
It seemed like all afternoon  
The nurse finally said that doc's [D7]  
ready for you  
She [C] said you won't feel a thing  
we'll give you some Novocain  
That tooth will be fine in a [D7]  
minute or two  
But [C] he stuck that needle down [G]  
deep in my gums  
And he [C] started drilling be[D]fore  
I was numb [PAUSE]

[CHORUS]

Some beach [C]  
Somewhere [G]  
There's a [D7] beautiful sunset burning  
up the [G] atmosphere  
There's [C] music and dancing and  
lovers romancing  
In the salty evening [G]air  
On Some [D] beach  
Some[G]where  
On Some [D] beach, some[G]where
