

# Sugar Cane Shack

Na Leo Pilimehana

[INTRO] [Bb] [F] [Bb]

There's a [F] red dusty road  
And it's [Bb] kinda remote,  
I [F] know [Bb]  
Front to [F] back, side to side  
It's a [Bb] cool green ride so let's  
[F] go [Bb]  
Jump in [C7] to my machine  
I can take you to the scene  
Where they're partying right  
Everyday and every night  
If it's [G7] fun in your life you  
[C7] lack, [NC ] Sugar cane [F] shack

[Bb] [F] [Bb]

Boogie [F] here, shake it there  
Local [Bb] music on the air  
we [F] groove (We [Bb] groove)  
Smell the [F] trail of the spill  
Sweet mo [Bb] lasses from the mill  
it's your [F] move (your [Bb] move)  
[C7] Swimming in sweat  
getting wild, you bet  
Take a chance, break a rule  
No shame in being the fool.  
Past weed [G7] junction there behind  
the [C7] stacks. [NC] It's the...

Sugar cane [Bb] shack  
(Funky little [F] lean to)  
Sugar cane [Bb] shack  
(Nothing much to [F] cling to)  
Made from [G7] red dirt clay but the  
hut is here to stay  
Even [Bb] if the trucks come and haul  
us [Bb} all away

[F] [Bb] [F] [Bb]

When your [F] life is a pain  
And the kids [Bb] make you insane  
Check [F] out [Bb]  
Take a [F] slow ride down to old [Bb]  
Waiialua town - No [F] doubt [Bb]  
Go and [C7] see you'll agree there's  
no better place to be  
All you wear is a smile in the true  
Hawaiian style  
If you're [G7] having a stress  
at[C7]tack [NC]

Sugar cane [Bb] shack  
(Funky little [F] lean to)  
Sugar cane [Bb] shack  
(Nothing much to [F] cling to)  
Watch it [G7] wobble in the wind  
Still the lines never end  
Having [G7] fun, rain or sun  
Get your kicks, come undone  
It's a good time and that's a [C7]  
fact...

[NC] Sugar cane [Bb] shack  
(Funky little [F] lean to)  
Sugar cane [Bb] shack  
(Nothing much to [F] cling to)

REPEAT LAST 2 LINES SEVERAL  
TIMES - FINISH WITH:
