

Swingin' Hula Girl

The Blue Hawaiians

Dm

Out on an island in the middle of sea

A

There's a swingin' hula girl who waits for me

Dm

Am

Her eyes were softer than the moon upon the sand

A

Dm

I want to be your swingin' hula man

[CHORUS]

Dm

My little hula

Acting like a fool-a

A

Where did you go to schoola

Dm

To Learn to dance that way?

Your moods excite me

I want you I mean nightly

Am

Do you think I might be

A

Dm

Your hula man someday

I hear the pounding of the drums not far away

He father tells me that I really shouldn't stay

We said goodbye because they said our love was strong

We were two swingers just swingin' all night long.
