The Unicorn Song

Written by: Shel Silverstein

C Dm A long time ago when the earth was green G

There was more kinds of animals C than you'd ever seen

They'd run around free while the Dm

world was being born

C

But the loveliest of them all was the Dm G C

u— ni--corn

[FIRST CHORUS]

C Dm There was green alligators and long necked geese G Some humpy back camels and some C chimpanzees Cats and rats and elephants but Dm sure as you're born C The loveliest of all was the Dm G C u--ni--corn

But the Lord seen some sinnin' and it caused him pain He said "Stand back - I'm gonna make it rain So hey brother Noah, I'll tell you what to do, Build me a floating zoo."

[SECOND CHORUS]

Take two alligators and a couple of geese Two humpty-back camels and two chimpanzees Two cats, and rats, and elephants but sure as you're born Don't you forget my unicorn.

Now Noah was there and answered the callin'

And he finished up the ark as th rain started fallin'

And he marched in the animals two by two

And he sung out as they went through

[REPEAT SECOND CHORUS]

Well, Noah looked out through the driving rain,

But the unicorns were hiding playing silly games, They were kickin' and a-spashin' while the rain was pourin'

Oh them foolish unicorns.

[REPEAT SECOND CHORUS]

And then the ark started moving and it drifted with the tide, And the unicorns looked up from the rock and cried,

And the water came up and sort of floated them away,

That's why you've never seen a unicorn to this very day.

[REPEAT SECOND CHORUS]
