

# You Used To Call Me

Traditional

[D] You used to [G] call me every [G7] morning  
You used to [C] call me every night  
To [G] tell me how you'd love to hold me [D] tight  
[G] Lately I don't [G7] hear your sweet [C] voice on the phone  
I'm [G] sitting here, [D] wondering, just what went [G] wrong

'Cause I don't [C] know, I don't know  
If [G] you want to love me any-[D]more  
Put your [G] finger on the dial and let's [C] talk a little while  
How I'd [G] love to hear you [D] knocking on my [G] door [D]

[D] You used to [G] call me every [G7] morning  
You used to [C] call me every night  
To [G] tell me how you'd love to hold me [D] tight
